5. Items to be Addressed

Follow up on the Kent Street project reported deficiencies were addressed and the project is completed.

6. New Business

6.1 Sewer Kent Street

Chair Cody Jenkins provided an update on the Backup Generator project being undertaken by EISI. Generators are to be installed at well 1 and 4 and an expansion to the pump house building is underway.

Chair Jenkins mentioned he would like consideration to be made to the sewer lines on Kent Street when the sidewalks are undertaken. Funding is allocated for the Kent Street sewer reconstruction, and he feels the province could also address the water and storm water at the same time.

The committee reviewed planning for the future, and looking at how that looks for Three Rivers.

The province is aware of the potential project and the desire to coordinate efforts.

7. Adjourn

The meeting was adjourned at 9:05 am

Chair Councillor Cody Jenkins
