1. Call to Order

Meeting called to order at 7:05

2. Disclosure of Conflict of Interest

There were none.

3. Items to be Addressed

3.1 Locations

The committee reviewed the possible locations for the new outdoor rink. They agreed that adequate parking, lights, water, space and access to washroom need to be considered. Cathleen to find out more information on the locations and the prep work involved.

3.2 Maintenance

The committee discussed having staff hired or volunteers to complete maintenance. It was agreed that it would be a big commitment for volunteers. Cathleen mentioned funding from CPRA Green Jobs is available for 50% of funding. We need to consider other funds available to offset the other 50%

3.3 Hours of Operation

The committee asked Cathleen to inquire with other municipalities to see what their hours of operation are.

3.4 Equipment Needed

Maintenance do have shovels available, however the committee felt like a snow blower may be needed for larger amounts of snow. Cathleen to inquire with Maintenance Department to see if they would have access to a snow blower.

3.5 Communication

The committee felt that between Facebook, the Town website and signage at the rink would be sufficient notice to the public should the rink be closed.

3.6 Other Items to Consider

The committee had decided to address some of the larger items first, before proceeding with some of the other logistics.
