**5.     New Business**

The board asked for an update on the application to IRAC with regards to the sewer extension to the Clean Tech Park. It was confirmed that the application had been submitted and that there were no known issues.

The board were advised that the tender to undertake the work for the project had been extended due to Storm Fiona.

The board discussed the timing for phase one of the project and how delays might impact phase two and the sidewalk project that is planned to take place in parallel. It was confirmed that CBCL still expect phase two to go ahead in the spring.

The board were updated on the application to MSC for funding, as discussed during the board meeting of August 16, 2022. The board were advised that, as the deadline for applications has been extended until January 2023, the application had not yet been submitted. It was explained that the decision to delay the application until closer to the new deadline had been taken to allow the most up to date information to be included in the submission.

## **6. Adjourn**

The meeting was adjourned at 8:11am.
